Departmental Application Form

Use the online form OR mail this
application to the address at left

Full name _____
Last (Family) First Middle

HOW CAN WE CONTACT YOU?

E-mail address: _____

Mailing address for correspondence: _____

Telephone number(s) at which you can be reliably reached: _____

WHAT ARE YOUR RESEARCH INTERESTS?

Indicate your primary research interest(s):

- | | |
|--|---|
| <input type="checkbox"/> Genomics and Bioinformatics | <input type="checkbox"/> Evolutionary Biology |
| <input type="checkbox"/> Eukaryotic Molecular Genetics | <input type="checkbox"/> Evolutionary Ecology |
| <input type="checkbox"/> Developmental Biology | <input type="checkbox"/> Biotechnology |
| <input type="checkbox"/> Molecular Evolution | <input type="checkbox"/> Prokaryotic Molecular Genetics |

What is the highest degree you wish to earn at the University of Georgia: M.S. Ph.D.

If you are interested in pursuing an M.S. degree, you must list the faculty member(s) with whom you would like to work:

If you are interested in the Ph.D. degree, with which faculty member(s) might you like to work:

Have you been in contact with any Genetics faculty? Yes No

If yes, with whom: _____

TELL US ABOUT YOURSELF.

List the undergraduate college, and any graduate schools, you have attended (list additional schools in *curriculum vitae*):

Undergraduate College	Location	Dates of attendance	Major	(Expected) Degree	GPA
Graduate School	Location	Dates of attendance	Major	(Expected) Degree	GPA

When did you take (or when will you take) the GRE? _____

If you have taken the GRE, what were your scores: Verbal _____ Quantitative _____ Analytical _____

YOU WILL ALSO NEED TO FILL OUT A SEPARATE APPLICATION FOR THE GRADUATE SCHOOL (AVAILABLE AT: www.applyweb.com/apply/ugagrad/). PLEASE SEND THE FOLLOWING MATERIAL DIRECTLY TO THE DEPARTMENT OF GENETICS:

- (1) **Curriculum vitae.** Your CV should include any honors, awards, publications and research experience.
- (2) **Statement of purpose.** Your 1-2 page statement should include three parts: (1) a description of the educational experiences that have prepared you or contributed to your desire to pursue graduate study; (2) a detailed description of any scientific research in which you have participated; and (3) a description of your research plans and career goals; either a specific research plan, or the general area in which you hope to work. You should identify the individual faculty in whose lab you might be interested in working and be sure to include those names on this form.
