

**Faculty Recommendation Form**

NSF funded REU in Fungal Genomics & Computational Biology

**Steps to complete this recommendation:**

1. Complete this Applicant Information Section

Applicant's Name \_\_\_\_\_

Recommender's Name & Address \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

2. Give this form & a stamped, addressed envelope to the person(s) recommending you.  
Address the envelope to:

REU Coordinator  
REU in Genomics & Computational Biology  
Genetics Dept.  
Life Science Bldg.  
University of Georgia  
Athens, Ga. 30602

3. Recommender should type a brief statement about the candidate's qualifications and their potential for benefiting from this research experience. Since this experience is a 40hr/week scientific research experience for 10 weeks, please include your assessment of the applicant's character and a review of their academic abilities. Please include the following:
  - In what capacity do you know the applicant and how long have you known them?
  - What do you consider to be the applicant's strongest qualities and why?
  - What do you consider the applicant's weakest qualities and why?
